

# Amphibian Survey Training

*A comprehensive introduction for volunteers*

## To be held at:

**The Environmental Resource Centre,**  
Wildlife Trust for Lancashire, Manchester and North Merseyside,  
499-511 Bury Road, Bolton, Greater Manchester, BL2 6DH

**Sunday March 14th, 10.30am - 9pm.**

Training will cover:

- Species identification
- Amphibian ecology
- Survey planning
- Recording and data processing
- Evening torch search

This event will cover all the essential skills needed to survey for amphibians and report the data accurately. Please bring lunch and suitable outdoor clothing.

**The event is free to ARGSL members, £6 to non members.**

Places are limited so please book early to avoid disappointment by e-mailing us at [argsl@btinternet.com](mailto:argsl@btinternet.com).
